Thirty-second Sunday
in Ordinary Time

November 8, 2015

Stay awake and be waiting
for the Lord!

FROM THE DESK OF FR. TIM: On Wednesday, November 11 we observe Veterans Day. Veterans Day is a national holiday to honor those who have answered the call to serve. Originally, November 11 was called Armistice Day and was set aside to mark the end of the Great War, the First World War, the war that was to end all wars. In 1954, by an Act of Congress, the name was changed to Veterans Day. President Dwight Eisenhower, the general who led the Allies to victory in Europe, called on all citizens to “observe the day by remembering the sacrifices of all those who fought so gallantly, and through rededication to the task of promoting a lasting peace.”

Let us remember all those who have and are now serving our country today. Tell a veteran how proud you are of them and thank them for their service to God and country. Let us also remember all veterans who have passed away, whether it was a natural death or death on the battlefield. Be grateful and always pray for our country. To all of you who served and are serving our country, **THANK YOU AND GOD BLESS YOU!!**

Have a great week!

News From Newman—Newman House is thriving. From an uncertain beginning at the start of the semester we have become a vibrant, enthusiastic group. We can't begin to thank our supporters—the newly formed Newman Council and many parishioners who have come forward to provide and supervise meals and activities and care for the lawn. Bishop Hanefeldt and the Diocese also support us until a new director is hired. Mass is offered the first Wednesday of each month. On November 4, Father Berger from Crawford was the guest presider. Last week the group participated in the Trunk or Treat at the Parish Center and then returned to the House for the annual pumpkin carving. I hope you noticed the creations on the porch of the House as you drove by. On November 1, a group of students met at the House after Mass where they enjoyed a delicious brunch prepared by Frances Gonzalez and then departed with rakes in hand for the "Rake and Run" to clean the yards of four parishioners.
~Betty Reading

Parish Health Notes—True, not all cases of the conditions mentioned last week are due to tobacco use; but *if nobody smoked, one of every three cancer deaths in the US would not happen...* Even if a smoker doesn't develop cancer, his/her risk of dying for other lung diseases (COPD, or chronic obstructive pulmonary disease) is 12 to 13 times greater than a nonsmoker's. Additionally, those who are regularly around the smoke of others ("second-hand smoke") have a higher risk of heart disease and heart attacks, lung cancer, sudden and severe reactions involving eyes, nose, throat and lungs. Infants and children who are regularly exposed to second-hand smoke are more likely to suffer asthma, infections like colds, ear infections, sore throats and pneumonia, poor lung function and sudden infant death syndrome ('SIDS').

Reduced Risks By Quitting. Quitting smoking cuts cardiovascular (heart and blood vessel) risks; just one year after quitting tobacco use, risk of heart attack drops sharply. Within 2-5 years after quitting, risk for stroke could fall to about the same as a non-smoker's risk. Risk for cancers of the mouth, throat, esophagus and bladder drop by about 50% within 5 years. Ten years after quitting tobacco use, risk for lung cancer drops by 50%.

You Can Quit For Good! The Great American SmokeOut challenges smokers to stop smoking for 24 hours, in the hope their decision will last forever. In 1970, in Randolph, Massachusetts, Arthur P. Mullaney suggested people give up cigarettes for a day and donate the money saved to a local high school. In 1974, a "Don't Smoke Day" (or "D-Day") was promoted by Lynn Smith of the *Monticello Times* in Monticello, Minnesota. The California Division of the ACS successfully prompted nearly one million smokers to quit for the day, marking the first SmokeOut!

(More next week)

"Taps" This Veterans Day the well-known sound of "Taps" will be played at observances throughout our country. It was composed by Major General Daniel Butterfield, a member of the Army of the Potomac during the Civil War. He is buried in the Post Cemetery at the United States Military Academy at West Point. There are no official words to accompany the music, and many versions can be found. Here is a sampling of a few verses.

*Fading light dims the sight,
And a star gems the sky, gleaming bright.
From afar drawing nigh—Falls the night.
Day is done, gone the sun,
From the lake, from the hills, from the sky.
All is well, safely rest, God is nigh.*

*Then good night, peaceful night,
Till the light of the dawn shineth bright,
God is near, do not fear—Friend, good night.*
