## From Fr. Tim

I just want to say thank you to all who helped me during these past several weeks in my new transition from here at St. Pat's to Holy Rosary in Alliance and St. Bridget's in Hemingford. There are so many people to thank. Just know that I appreciate all that you have done for me these past weeks and the past eight years. There is a lot going on at my new parishes, especially with a new school year coming up at St. Agnes and the parishes themselves in the two different areas. You all are great in every way and I truly love you all for all that you have done for me. Take care and be

good!!

## Pro-life Quote

"Abortion kills twice. It kills the body of the baby and it kills the conscience of the mother. Abortion is profoundly anti-women. Three quarters of its victims are women: Half the babies and all the mothers."

## Journey of Hope

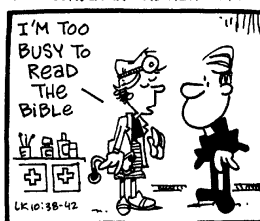

A soon-to-occur opportunity to learn more is the *Journey of Hope* Tour, which will be taking place in numerous locations around the state, beginning July 17. The tour involves presentations by teams of individuals who have been personally impacted by violent crimes, the criminal-justice system and punishment. Each session will include time for discussion and interaction.

Please consider taking advantage of the opportunity to become informed. Encourage others to attend as well. Spread the word. There will be a presentation in Chadron Tuesday, July 19, 7 pm, First Congregational United Church of Christ, 370 Chadron Ave.

**Parish Health Notes** 9 Tips to Protect Against Sun Damage  
*Ultraviolet (UV) rays from the sun can cause skin damage in as little as 15 minutes. Avoid the sun between 10 am and 2 pm. This is when the sun is most intense and produces the greatest chance of sunburn.* The American Academy of Dermatology recommends using sunscreen with at least SPF 30. Use sunscreen even on cloudy or cool days. Wear sunglasses with UVA and UVB to prevent damage to the sensitive skin around your eyes, as well as cataracts. A wide-brimmed hat can protect your face, ears and neck. If wearing a baseball cap, don't forget to apply sunscreen to your neck and ears. Some antibiotics and over-the-counter medications can make you more sensitive to sunlight. Check with your pharmacist regarding your medication side effects. Children six months or older should have sunscreen applied regularly when outdoors. Perform regular skin checks. Look for changes to moles, freckles or birthmarks. Avoid the use of tanning beds. *Tanning beds produce harmful UVA and UVB rays, which increase the risk for skin cancer.* Maintain healthy skin by not smoking. Smoking damages collagen and elastin in your skin. Treat your skin gently by using mild soaps and daily moisturizers. Limit hot showers as this can strip essential oils from your skin. 16TH SUNDAY IN ORDINARY TIME

### FROM FR. TODD

I have experienced my first Fur Trade Days and Bands on Boudreaux. Both events were joy-filled community gatherings where folks were genuinely enjoying being together.

St. Patrick's Parish is a place where I quickly realized folks worship and work together and enjoy being together. There is a good spirit here through which God's face shines in the faces of God's people.

Thanks for being who you

**July 22 is the feast of Mary Magdalene. Who was she and is it true that she was a prostitute who followed Jesus around in his ministry?**

Recent biblical scholarship has been trying for a long time to correct Mary Magdalene's misconstrued reputation as a prostitute. Biblical information reveals her as one of the most important disciples of Jesus, following and financially supporting him during his ministry. She is also a faithful witness both to the Crucifixion and the first to see the risen Jesus. Further, in John's Gospel, she is commissioned by the risen Jesus to announce the good news to his disciples. Thus, she becomes the first evangelizer and proclaimer of the risen Lord.

Her reputation as a prostitute arose from the misunderstandings of certain texts in Luke. Luke 8:2 reports Mary as being a follower of Jesus "from whom seven demons had gone out." This passage follows Luke's story of the sinful woman, a prostitute, who bathed Jesus' feet with her tears and dried them with her hair. Since that woman is not named, there came to be an association of that woman with Mary Magdalene, "from whom seven demons had gone out." Thus Mary became known as a prostitute.

The readings and prayers for her feast day make no mention of her reputation as a sinner. Rather, they emphasize and highlight her role as the first witness to the risen Lord, and the first one commissioned by Jesus to tell of the good news to the disciples. Let us continue to be Mary Magdalene to the world.
