## 6<sup>th</sup> SUNDAY IN ORDINARY TIME

### Chadron Christian Connection Luncheon

meeting will be February 14, at 11:30 AM, at the Country Kitchen restaurant. Our speaker is Bonnie McCord, minister of the United Methodist Church of Chadron. The title of her talk is "A Miracle of Love and Healing". She grew up in Garden County, a ranch girl. She has been a minister for fourteen years and the style of her preaching is teaching. She is Chadron's pastor that "fell" for the ministry. Special music will be popular Bill Huntington from Chadron. Special feature will be Tyler Woodard, AmeriCorps Vista worker for Chadron. For reservations contact Darlene at 432-5432, or by email at yantzi@gpcom.net no later than 5PM Sat. Feb. 11. Complimentary nursery is available by reservation and first time guest are free and men are always welcome.

**Families Grow Vocations.** All states in life are essential to the life of the Church: All vocations begin with the family. There can be no priests or religious without families. Sacraments are essential for the spiritual life of the family. Without priesthood, there is neither Eucharist nor Confession. Every man is called to fatherhood and every woman is called to motherhood. Celibates are not spiritual bachelors or bachelorettes. Ask your pastor to speak about his spiritual fatherhood. Ask a religious sister to speak about her spiritual motherhood. Learn more about brothers, deacons, and the single life as a life of mission and service.

**Parish Health Notes:** Osteoarthritis is the most common form of arthritis. It is typically associated with aging, but it can also develop due to joint trauma and repetitive motion to the joints over a period of time. Repetitive motion can

be from activities such as sports or work related activities. Two examples would be throwing a baseball for 20 years or using a hammer to bang nails for 20 years. Osteoarthritis is caused by the cartilage over the joints deteriorating. As the bones start to rub together this causes pain and swelling. As time goes on, the bones begin to misshapen, which can lead to bone spurs. This causes more pain and discomfort. Further pain increases due to cartilage breaking off in the joint. Sadly, Osteoarthritis is also part of the normal aging process. As we get older, joints start to wear down. The main problem with bone and joint degeneration is related to acceleration. The more friction on the joint, the more accelerated the degeneration. As far as osteoarthritis in the spine goes, spinal bones that are out of alignment cause excessive friction on the spinal joint, accelerating the degenerative process. This is why in some cases a 35 year old may have the spinal deterioration of a 60 year old. A traumatic accident that injures the neck or the back when someone is in their 20's will cause spinal misalignments which then leads to friction on the spinal bones that over time will show up as arthritis. To keep the joint surfaces healthy, Glucosamine and Chondroitin supplements have been shown to provide the nutrition for healthy joint surfaces. Omega 3 fats, as found in fish oils provide an anti-inflammatory effect on the joints, easing discomfort. SAME (S-adenosylmethionine) has been shown to be just as effective as non-steroidal anti-inflammatories, but without the obvious health risk to the stomach, kidneys and liver. Resistance exercise strengthens bone density and helps keep motion in the joints. Smokers have an increased risk of arthritis due to toxins from the nicotine building up in the body, increasing inflammation.

**Parish Directories Are Here.** This is the final weekend that John and Agnes Cortney will be distributing Parish directories after mass. They will be available at the Parish office during business hours.

## FROM FR. TODD

In today's Gospel there is a call to maturity of faith. There are many things that can become gods. It is easy to lose the way. Today's Gospel is a call to concentrate on God's wisdom, discern the spirit. Have a good week!!!

*Fr. Todd*

### A Valentine Prayer

I said a Valentine prayer for you and asked the Lord above to fill your heart and bless your soul with the precious gift of love.

I asked Him for sincere love, the kind that's meant to stay. Just like the generous love you give to those you touch each day.

I prayed for love from family and from every cherished friend. Then I asked the Lord to give you His Love that knows no end.
