### Quarters for Aquatics

The four service clubs in town, Rotary, Kiwanis, Lions and the Knights of Columbus have begun the Quarters for Aquatics project to raise funds for the swimming pool project. Goal of the fundraising effort is \$25,000. The service clubs are collecting quarters in plastic bottles. The bottles will be able to be turned in during activities at Fur Trade Days, the Bands of Bordeaux and at the county fair. There is a friendly competition between the four clubs as to which club can raise the most funds.

We are in need of plastic bottles with wide openings similar to a Gatorade bottle that quarters can fit into. If you have extra bottles, please bring them with you to church and drop them into the shopping cart in the gathering area that is used for the food pantry items. We will also have labels printed that you can attach to your bottles that we will be passing out after the Masses.

### FROM THE DESK OF FR. TIM

This is my final bulletin column. What a great and wonderful 8 years of ministry here with all of you at St. Pat's. You are family to me and always will be. You have welcomed me and made my stay here in Chadron a wonderful experience. We all have our challenges in life, but we learn from them and continue the journey and grow in life!! The journey has been a great one and thank you for being with me on this journey. I truly appreciate it!

Thank you to all of you for the potluck at the Arena last Sunday evening.
