"A man fell victim to robbers as he went down from Jerusalem to Jericho. They stripped and beat him and went off leaving him half-dead. A priest happened to be going down that road, but when he saw him, he passed by on the opposite side. But a Samaritan traveler who came upon him was moved with compassion at the sight."

FROM FR. TODD

Hello Church!! A few years back I was on a sabbatical at a Jesuit school in Berkeley, CA. A few of the Jesuit Priests would address the students as "church." The church is the people, the body of Christ. Thank you church for your welcome and your help.

These first days when I have been getting acclimated and acquainted you have been so patient and most helpful. Thank you!

I look forward to experiencing life and faith with you. It's a bit surreal to me that the kid that shoveled the Newman House sidewalk and used the earnings to buy a 10 speed bike would return as pastor. I am thank-

Sister Parish

We have received the monthly newsletter from our sister parish in Oglala, SD. Be sure to check it out and see all the activities and news from Our Lady of the Sioux. It is posted on the bulletin board in the church outside the Sacristy.

Pro-Life

The US has lost about 1.2 million soldiers in all of its wars since the Declaration of Independence in 1776. In a much shorter time since 1973, we have killed about 50 times as many pre-born babies. Also, abortion has cost the US about 120 times as much as all American wars have.

Who could have predicted this wide scale slaughter of innocent life that goes on, day in day out? Who would have guessed that abortion would be de-criminalized, protected by governments and proudly promoted and funded by governments and corporations?

Who would have guessed that some schools and colleges would promote this, imagined that churches would remain silent and that school officials can and do send minors for abortions without parental consent? Who would have guessed that the media moguls would despise and oppose all who valiantly come to the defense of innocent life?

How did we get to this position?

Vocations

Families Grow Vocations. Pray with your children: Night prayer is a natural time to teach prayer to children and to develop in them this important habit. When you pray at meals, use a variety of prayers and prayer forms including spontaneous prayers from the heart. Teach them how to bring their concerns and needs to Jesus in prayer. They will learn what you model from them. Write a family prayer that can be said regularly by the family when you pray. Use the liturgical seasons of the year to bring added prayer to your home during the season of Advent, Christmas, Lent and Easter.
