25th Sunday in Ordinary Time

"For the children of this world are more prudent in dealing with their own generation than are the children of light. No servant can serve two masters. He will either hate one and love the other, or be devoted to one and despise the other. You cannot serve both God and mammon." *Lk 16:8b, 13*

Our mind's storehouse

Benjamin Weir, a missionary in the Middle East, was forcefully taken by terrorists who placed him in solitary confinement in an "out of the way" room. With a blindfold over his eyes, he didn't know where he was, had no one with whom to talk and had no contact with the outside world. He suffered true isolation. What was he to do? What could he do?

In a way, all he had was a beating heart and a mind free to think. To keep from being bored, he tapped into the information stored in his head. Many months later, after being freed, he said, "I called up my memory bank, things that were stored in my mind."

He recalled Scripture passages he had learned years before. He thought of words from some of Shakespeare's works. He pondered the words of hymns and other musical pieces. He thought about his family, his wife and his friends. He remembered the work he loved. He thought about how the grace of God had ministered to him throughout his life.

When he was able to talk about the experience, he said that under such circumstances, "Whatever is in your mind is what you have to draw on."

Does that say anything to us about what we should let into our minds? Shouldn't we store information that is spiritually helpful? Pure thoughts. Thoughts about the good and great things of life. Thoughts about the life of Christ and his saving grace.

Parish Health Notes

What is Influenza? Flu, also known as influenza, is a contagious disease that is caused by the flu virus. It attacks the respiratory tract in humans (nose, throat and lungs). The flu is different from a cold. Flu usually comes on suddenly and may include these symptoms:

- * Fever
- * Headache
- * Tiredness (can be extreme)
- * Dry cough
- * Sore throat
- * Nasal congestion
- * Body aches

These symptoms are usually referred to as "flu-like symptoms."

What You Should Do If You Get the Flu

- * Rest
 - * Drink plenty of liquids
 - * Avoid using alcohol and tobacco
 - * Take medicine to relieve the symptoms of flu
- Flu is caused by a virus, so antibiotics (like penicillin) don't work to cure it. The best way to prevent the flu is to get a flu vaccine (flu shot) each fall, before flu season.

FROM FR. TODD

Hello Church!! There is the story of the little boy whose mother gave him two dollars to use to Christmas shop. The little boy took great pains to buy his mother a gift with the money she had originally given him. This seems to be the message of stewardship. All we have been given is from God...we must adopt a lifestyle where we put great energy into taking care of each other with the gifts we have been given.

It would have been easier for the mother to have simply bought something for herself—but how beautiful a thing to see the effort, love and thought the son put into using what his mother had given him.

We have been gifted in so many ways. We are called to take care of each other.

I have seen many thoughtful ways you take care of each other, your Parish and your community. Thank you.

Peace and all good things.

Fr. Todd

Social Ministry Quote

"We know that Christ alone performed all the great works which belong to our salvation, and no one but he; and just so, he alone acts now in the last end, that is to say he dwells here in us, and rules us, and cares for us in
