Connections by Cele Breen

"You are out of your mind!" Has anybody ever said that to you? Or you to another person? No doubt most of us have heard or said this a time or two. If directed at us, we are in good company according to today's Gospel. The relatives of Jesus said that about him when he came home. The reason for such a judgement is not entirely clear. Is it because the crowds that followed him disrupted their way of life? Or was it because the scribes from Jerusalem were saying that he was possessed? We might ask ourselves what might prompt us to respond in such a way. Is someone living the Gospel in a way that challenges us and we feel uncomfortable? Are we being asked to change in a way that we resist?

Holy Land Display— Retired priest, Fr. Berger, has loaned us the picture display from his trip to the Holy Land. He traveled to the Holy Land in 1998 and many of the destinations are the same that Fr. Todd and those partaking in the October trip will see. Take a look at the display in the gathering area.

Please welcome new parishioner Tyler McCarthy.

Rediscover Your Marriage – Retrouvaille (pronounced retro-vi with a long i) simply means 'rediscovery'. The program offers the chance to rediscover yourself, your spouse, and a loving relationship in your marriage. Tens of thousands headed for divorce have successfully saved their marriages by attending. Retrouvaille is not a spiritual retreat, not a sensitivity group, not a seminar, not a social gathering. For confidential information about or to register for the program beginning with a weekend on Aug 24-26, 2018 call 1-888-317-5654 or visit www.HelpOurMarriage.org

Catholic Communications Collection
Today, we are taking up the collection for the Catholic Communication Campaign (CCC). Your support helps the CCC connect people to Christ, here and around the world, through the internet, television, radio, and print media. Half of the funds we collect remain in our diocese to support local efforts. Be a part of this campaign to spread the gospel message, and support the collection today! ==From Fr. Todd==

Hello!!

Jesus is at it again. He is pushing the limits of family. Jesus draws us beyond the traditional notion of family. We can no longer be comfortable with a traditional biological family definition.

In many ways Jesus defines family by how we live out his story and his call to love. Wash some feet, take up your cross, whatsoever you do to the least of my brothers or sisters....you do unto me. Take and eat, take and drink....be the body of Christ.

Who are my brothers and sisters? This is a good question to reflect on.

Have a good week.

Fr. Todd
