FROM FR. TODD

Welcome to Fr. Jonathon from St. Meinrad!! Thanks for making the long trip to Chadron, NE. Thank you for your ministry and message!!

We have another Stop Hunger Now session scheduled. This was a wonderful experience last year. We packed thousands of meals for the hungry last year. I thought the awesome thing about this project was that our hands touched the food that will feed the hungry on the other side of the world. Please see the sign up sheets in the Gathering Area. Please come as a family. All ages are welcome. I have seen 5 to 90 year olds participate in this program. I have had folks report that this is one of the best things they have done, in a long time, as a family.

In the Gospel today there is forward momentum; Jesus heals and he moves forward. Jesus takes some time to be quiet and pray. Quite often when I read about Jesus I simply ask...what is Jesus doing? What are his words calling me to do?

Peace and all good things,

Fr. Todd

Sharing the Gospel with Kids:

Think about how you get ready for a busy day. You eat a healthy breakfast. You wash up and brush your teeth. Then you get dressed and comb your hair. There's one more thing you could do to start your day off right. **Pray.** Find a quiet spot where you can be alone to talk to God. That's what Jesus did.

Prayer God, help me to start every day with you in prayer.

Something to Draw

Draw a picture of yourself praying to God in a quiet place.

Mission for the Week

When you get home, choose a special quiet place where you can talk to God every morning. Tell your family about your special place. They may want to join you in spending quiet time to pray.

A special blessing of throats occurs on the feast of St. Blaise, February 3. What is the origin of this?

St. Blaise, was a bishop of Sebaste, Armenia, in modern Turkey, who was martyred for witnessing to the faith. He was tortured and beheaded for his beliefs by the local Roman governor around AD 316. This is all

that is known about him, the rest being legend. We know much more about devotion to and the popularity of St. Blaise than historical facts.

The special blessing of throats associated with St. Blaise is due to a miracle attributed to him. While in prison, he miraculously saved a boy choking on a fish bone. Early in the sixth century, evidence exists in the Eastern Church that Blaise was prayed to for ailments of the throat. To this day, his feast is a holy day in the Eastern Church. In the ninth century, veneration of St. Blaise came to the Western Church and became very popular. Blessing of the throats with crossed candles began in the 1500s, the height of devotion to St. Blaise, and that blessing is still part of the devotion of the Catholic Church.

No matter what the facts are, **St. Blaise is a constant reminder to us of God's care and concern for us in our weakness, sickness, and limited human existence.** God's healing touch is with us always. St. Blaise's celebration is one of the ways in which we highlight and thank God for that care and concern.
