*He said, "Young man, I tell you, arise!"  
The dead man sat up and began to speak,  
and Jesus gave him to his mother.  
Fear seized them all, and they glorified God,  
exclaiming, "A great prophet has arisen  
in our midst," and "God has visited his people."*

## Parish Health Notes

### Why High Blood Pressure Matters

High blood pressure can lead to serious health problems. Uncontrolled high blood pressure can cause debilitating strokes, permanently damage the heart, and can cause sudden death. It's sometimes called "the silent killer" because there are no symptoms, so you may not be aware that it's damaging your arteries, heart and other organs. Monitoring your blood pressure can identify the need

for follow-up with your doctor and note any trends toward high blood pressure. Possible health

- Sunday, June 12 - Regular meeting, 6 pm, election of officers
- Sunday, July 10 - Regular meeting, 6 pm
- Sunday, August 14 - Regular meeting, 6 pm

**Important notice—all Knights of Columbus members:** The meeting on Sunday, June 12 at 6 pm will be the last one that Fr. Tim will be present as our council Chaplain. We will be grilling up hotdogs and hamburgers that evening. We will also be electing officers that evening for the next fraternal year. If you haven't been to a meeting lately, this would be a good one to get back into being an active member of the Knights of Columbus. We need your attendance as the last meeting we held in May was lacking a quorum and we therefore could not complete any business before us. Please mark your calendars for this important meeting and enjoy the company of your brother

### What are the "fruits" of holy Communion?

# A

The Eucharist, like all sacraments, offers its own unique grace. We receive a special share in God's life that helps us in our faith journey. We are given all we need to sustain and nurture our relationship with God. The Eucharist is the source and summit of the Christian life. Everything we are and everything we hope to become is found in this sacrament. It is essential to the life of the church, to each member of the church. Without it, there is no church. The Eucharist is the center of our spiritual life and has enormous effects on our growth, our holiness and our way of life.

The fruits of holy Communion are the benefits one receives from the sacrament. These fruits of holy Communion are discussed in the catechism in the article on the Eucharist. The primary benefit is union with Christ. We become one with him sacramentally, just as we hope to become one with him for eternity. The Eucharist also separates us from sin, both past and future. It forgives the venial sins of the past and by the love we receive, protects us
