Families Grow Vocations. Give your children a well-rounded education: Do not neglect the formation of character, self-discipline, human virtues, perseverance, and physical health. You are creating the fertile ground for God to act. Besides faith, you will want your children to have the strength of character to be able to do what might be difficult, to overcome peer pressure, and to be faithful to what is right. Develop the minds as well as a sense of beauty and joy in your children. Help children develop their critical sense, awareness of objective truth, and appreciation for good quality music and the arts.

April's regular meeting will be Sunday, April 9th at 6:00 PM.

Parish Health Notes.

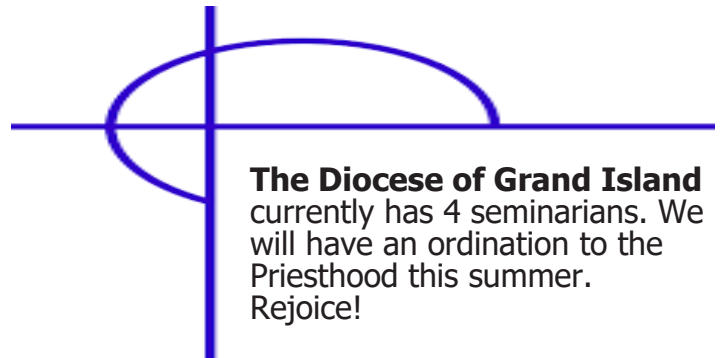

Diabetes Management Class offered by Nebraska Extension. Diabetes is a serious problem, but research shows that controlling diabetes makes a huge difference. If one keeps blood sugar close to normal it reduces the chances of serious health problems such as blindness, kidney failure and amputations. The class, Control Diabetes for Life will be offered by Nebraska Extension at three locations in the north Panhandle:

Chadron Extension, 250 Main St./432-3373
Monday, March 27, 12:30-2:30 PM
Alliance Extension, 415 Black Hills Ave./762-5616
Tuesday, March 28, 12:30-2:30 PM
Rushville Extension, 105 Loofborrow/327-2312
Wednesday, March 29, 12:30-2:30
Those planning to attend need to register by Friday March 24 with their County Extension office by calling the respective office.

The Nebraska School Food Service Association has approved this session for two hours of Continuing Education Credits. Topics of the program **Make your Commitment to Diabetes Self-Management** include: "Commit to Be Fit", "Fiber and Protein in Your Diet", "Do's and Don'ts for Dealing with Criticism", and "What's New in Diabetes Care", along with other helpful hints. Participants also will receive recipes adapted for diabetic diets and may sample a new recipe of a diabetic appropriate food.

The class will be a team teaching approach and is offered for free.

The Diocese of Grand Island currently has 4 seminarians. We will have an ordination to the Priesthood this summer. Rejoice!

FROM FR. TODD

There was the official letter from the Bishop. Then there was my installation as your Pastor. Another great step was taken this past week in moving into the Chadron Community. I put 69 county plates on my car!! It feels good to see the 69 plates on my car. Actually between my time in Chadron as a child and my time as a Priest in Crawford, I have lived in Dawes County longer than anywhere else. That's a good thing.

I hope your Lent is going well. This Sunday the Little Black Book talks about those times when we naturally slip in to prayer. May this Lenten journey gently place us in a space and place where we drift into prayer and the embrace of the living Christ.

I hope you are able to attend our food packing event this next week. This is a wonderful thing. All ages are welcome. I hope families are able to be together at this event.

Peace and all good things,
Fr. Todd

Social Ministry Quote

"Practice charity with your neighbor-and this doesn't mean only to give money to the poor...We could, for example, keep ourselves from examining our neighbors conscience.

There is also visiting the sick, who often do not need money, but who need good advice to help them get closer to God.
