29th Sunday in Ordinary Time

“Will not God then secure the rights of his chosen ones who call out to him day and night? Will he be slow to answer them? I tell you, he will see to it that justice is done for them speedily. But when the Son of Man comes, will he find faith on earth?” *Lk 18:7-8*

- ◆ Are you interested in the Catholic Faith?
- ◆ Would you like to learn what the Church teaches and why?
- ◆ Are you considering becoming Catholic?

RCIA is for you if you answered YES to any of the questions above!

For centuries, people have turned to the Church to find the answers to the deepest and hardest questions of everyday life. The Rite of Christian Initiation of Adults is the process given by the Church for the formation of adults in the faith. This is an

opportunity for you to share your faith journey with others, to learn about the Catholic faith, and to experience the life of the Church community.

For more information, contact Fr. Todd in the parish office, 432-2626 or email stpats@chadronstpatriicks.org.

Sister Parish News

Please be sure to check out the recent newsletter from our sister parish in Oglala, SD, Our Lady of the Sioux. It is on the church bulletin board just outside the Sacristy.

Part-time office position open

We are seeking an individual with office and bookkeeping skills to work 10-20 hours per week in our parish office. This person would cross-train in order to fill in for our parish secretary. Quick-books, word processing and graphic design skills would be helpful. To apply contact the parish office.

Families Grow Vocations

Chastity formation. Speak to your children about developing a deep reverence for the way God has created us and our bodies. Learn about the "Theology of the Body" as taught by St. John Paul II, which teaches about God's plan for sexuality and for marriage and family. There are many resources available today in book form, workshops and online. A good summary is on the U.S. Catholic Bishops website. Take time to be formed so that you can help the young to be formed. If young people get chastity right—they get dating right—then they will get marriage right—then they will get family right—then all vocations will prosper.

FROM FR. TODD

Hello Church!! Keep moving forward. Life can be hectic, tough and hard. The Scriptures this weekend speak of the power of persistence that is mixed with love and prayer. Have a good week. Keep moving forward in Christ.

I am excited about a new opportunity in our Parish. This program is called *Walking with Purpose*. This program is for women of all ages. It mixes Scripture Study with some reflections on daily life. Each lesson has an excellent reflection on a particular Saint. I have done a lot of research on the program and its contents. It is good. The group will meet Thursdays for six weeks beginning October 27. Childcare will be available. Study guides are available for purchase through the office. See the sign up sheet in the gathering area.

Special Offering

Next week, we will celebrate World Mission Sunday. Its theme this year is "Mercy Changes the World." Pope Francis invites the entire Church to support the young mission dioceses in Africa, Asia, the Pacific Islands and part of Latin America and Europe, where priests, religious and lay leaders serve some of the poorest of the poor. Please keep the Missions in your prayers and be generous in next week's collection for the Society of the Propagation of the Faith.

Parish Health Notes *If you think you have a bit of a problem drinking enough water on a daily basis, you are probably right. Even worse is the lack of water that is occurring with children.*

According to recent statistics on the internet, more than half of American children are dehydrated, which can have repercussions for their health and academic performance. About one-quarter of children in the US do not drink water on a daily basis. To show you how dehydration severely effects function in the body, research shows dehydrated drivers make twice the amount of errors compared to hydrated drivers - an effect similar to driving drunk.

The best thing you can do, obviously is to drink more water. Your best bet is trading sweetened, bottled beverages like soda, iced tea, fruit drinks to PURE WATER which can significantly improve your health. A major rule of thumb is to drink water on a regular basis throughout the day, regardless of thirst. Drink at intervals when you are not thirsty. This ensures that your body has enough water and can support internal functions for optimal health.

Social Ministry Quote

"True peace is born of doing the will of God and bearin with patience the sufferings of this life. It does not come from following one's own whim or selfish desire, for this always brings not peace and serenity, but disorder and discontent."
